What's with the clothes?
Oh please. It's not like I've never dressed for business before. Would you rather I wore my halter and see through skirt?
ZIG ZAG!
OOF! Hiya kiddo!
Why are you dressed like a daddy for?
Just trying to make a good impression.
Tabitha knows your employer?
Umm.. well... Yeah.
They met one of the times I was baby-sitting.
SHE'S THE COOLEST GROWN UP EVER!!

Hello dear. I'm Endora, Sabrina's mother.
Zig Zag. Pleased to meet you in person.
Your name is really "Zig Zag"?
Yes. Changed it legally years back.
I thought it was the business's name.
I picked up the title as a child, because of my unusual fur pattern.
I decided to appropriate the name for my own.
Well, I don't see how someone can be taken seriously with a name like that.
Why? Am I supposed to be taken seriously?

Check out Sabrina Online at http://www.sabrina-online.com

That is very unusual for you have.
Sabrina said you were a skunk?
I am. mostly. My grandfather was a Siberian tiger.
Well, you look very ... exotic.
Thank you.
I think its a good thing to be a little out of the ordinary, personally.
This all makes me think about Sabrina, running around with that raccoon of hers.
Oh?
I mean, what would those children look like?
They're a great couple, I bet the kids would get the best of both of them.
Perhaps you two could wait until I'm out of the room before talking about me like I'm out of the room.

This all looks wonderful Mrs.-
Call me Endora.
So, what exactly does your company do?
do?
Well, it's a little difficult to explain. we uh...
SHE MAKES MOVIES! ALL BY HERSELF!
Really?
Well, there goes lying.
©EWS

Check out Sabrina Online at http://www.sabrina-online.com

Tabitha may be exaggerating a bit.
Oh?
We just make videos and DVD's for direct marketing, not all by myself either.
What sort of videos are they?
Uhmm... Various types.
Relationship documentaries, instructional and self-help tapes - that sort of thing.
My, I'm impressed!
That is true mastery of euphemism.

Sabrina started by answering a want ad I put in the paper way back. I needed someone who knew computer graphics to do graphic and photo processing for our website.
It wasn't long after that before she was maintaining the web code and designing covers and promotional materials for the videos.
She's very valuable to the company. I'm not sure what we'd do without her.
Really?
Of course!
At the rate she's going, it sounds like she'll be running the place in a year or two.
HA HA - maybe, but I kinda doubt she wants to do my job.
THAT'S for sure.

Thank you very much for the dinner.
Don't mention it.
I get the impression you and Warren have met before
We have.
Uh-yes, I visited Sabrina at work once.
Got to look around the place a bit. It was pretty uneventful and uninteresting...
...really.

Nice work playing Professional Zig Zag.
I'm an ACTOR honey.
©EWS
but was it really worth it? the studio and I are pretty much an open book if you know where to look it up.
I don't think you need to worry too much about it. Why don't you ask her this question..
So Endora, out of curiosity, have you ever "Googled" anything?
What is that, some kind of candy?
Satisfied?

BYE ZIG ZAG!!
See you later.
Good to see you both again.
I guess I should apologize for kissing your husband earlier.
Well – perhaps.
©EWS
That wasn't what I was expecting.
Just trying to make things even.

"Almost got away clean"

It's been great meeting you Endora.
...and it was very... interesting meeting you.
Bye everyone!
Have a good evening!
Oh, and could you please send me sample of the tapes your company makes?
!
LATER
Guess what? We're going to make some public service videos!
Pubic what?

Y'know what?
What?
You OWE me.
Is that so?
Oh yeah! Think about all I've done for you here. I really went above and beyond!
Y'know, the way I see it, you could've just passed on dinner. Then you wouldn't have needed to go to any trouble, and it would've saved us all lots of hassle.
I see. Well maybe you don't owe me.
BETTER hot.

Goodnight Dear.
Goodnight.
CLICK!
So, exactly how much is Sabrina still keeping from me after all that?
Enough.
©EWS

I thought I'd let you know I do appreciate the effort you went to with my parents,
-even if it was totally unnecessary.
You're welcome.
©EWS
Not to be rude, but why do you keep taking such a big interest in me and my family?
All part of my ongoing project to understand you, and help you loosen up.
I think I've made SOME progress eh?
Maybe
eh?
Yeah
eh?
eh?
Yes
EH?
YES!
EH?
STOPPIT!!

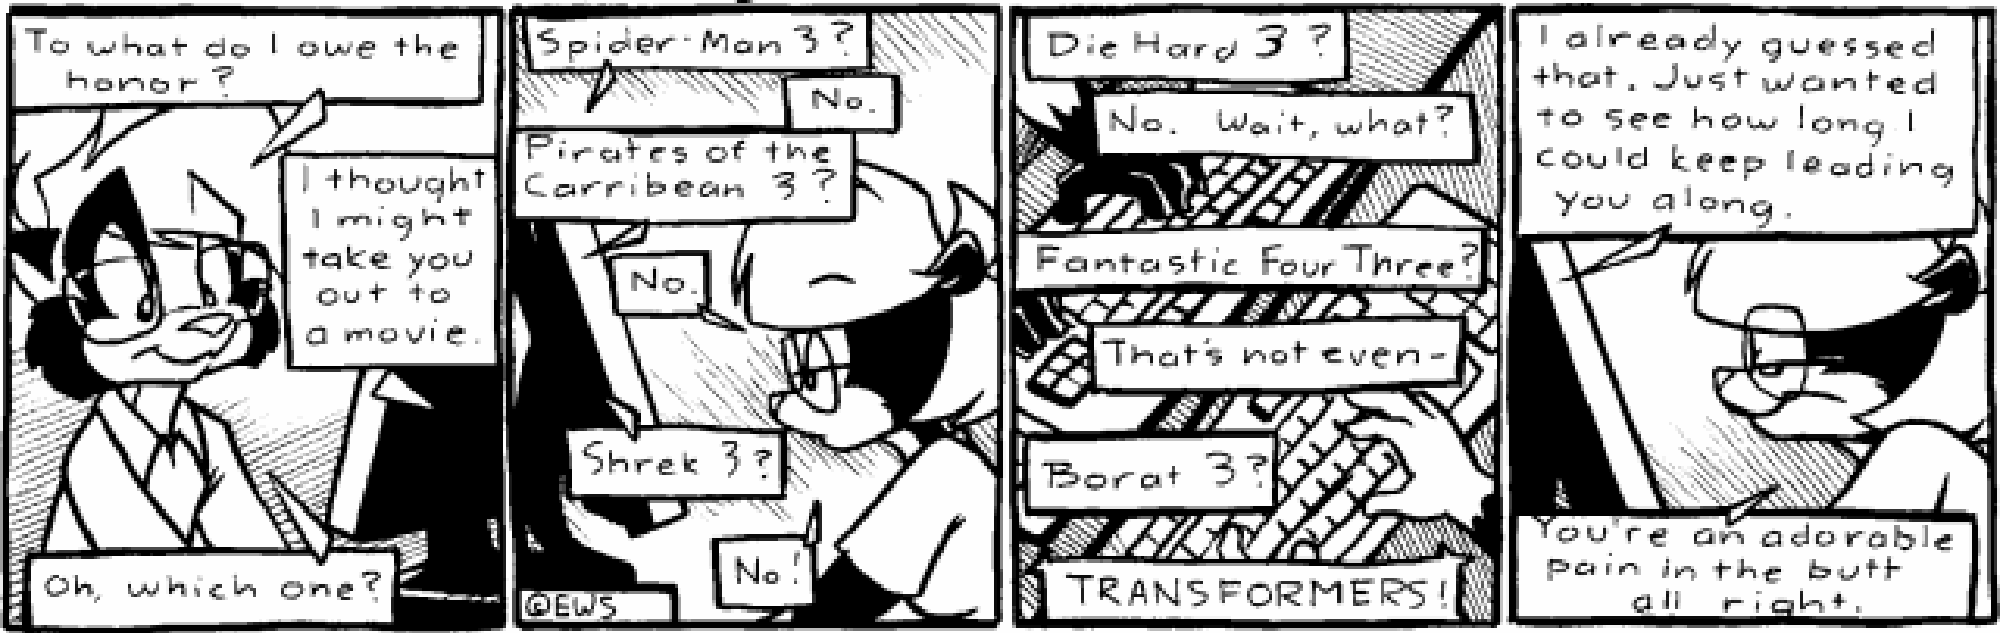
Tell me, what's the fascination with all the robots?
It's just my hobby.
I've always had an interest in the design and technology of the Transformer toys, and the characters are fun too.
©EWS
When I was a kid, my parents didn't like the idea of me being into "boys' toys" so they never got me any.
Guess I'm catching up on lost child hood!
So, nothing to do with fantasies about big red transforming trucks then?
highly doubtful.

©Check out Sabrina Online at http://www.sabrina-online.com

Say, you like Transformers right? Did you hear there's a movie coming out? It's got a website and everything!
Hmm?
Oh, yeah I have heard something about that.
-for over a year now.
Did you know there's a Transformer's film coming this summer? I bet you're all moist for that.
Oh, classy.
I had heard, thanks.
Hey Sabrina! guess what they're making a movie of!
TRANS-MORFERS!
SNAP!
©EWS
I KNOW ALREADY, OKAY!? I KNOW ALL ABOUT IT! EVERYONE LEAVE ME ALONE!
what's with Sabrina?
Don't ask me. You think she'd show a little appreciation for me letting her know about that Transformer movie.

Check out Sabrina Online at http://www.sabrina-online.com



To what do I owe the honor?
I thought I might take you out to a movie.
Oh, which one?
Spider-Man 3?
No.
Pirates of the Carribean 3?
No.
Shrek 3?
No!
©EWS
Die Hard 3?
No. Wait, what?
Fantastic Four Three?
That's not even-
Borat 3?
TRANSFORMERS!
I already guessed that. Just wanted to see how long I could keep leading you along.
You're an adorable pain in the butt all right.

Sabrina out 2006-2007 Online at http://www.sabrina-online.com

Is that the trailer for the new Transformers movie?
Yeah. Just downloaded it.
Wait. Pause it a sec
Okay.
Hmmm...
Trust me, there's nothing you could say that hasn't been posted to some forum twenty times already
Except me?
Meh

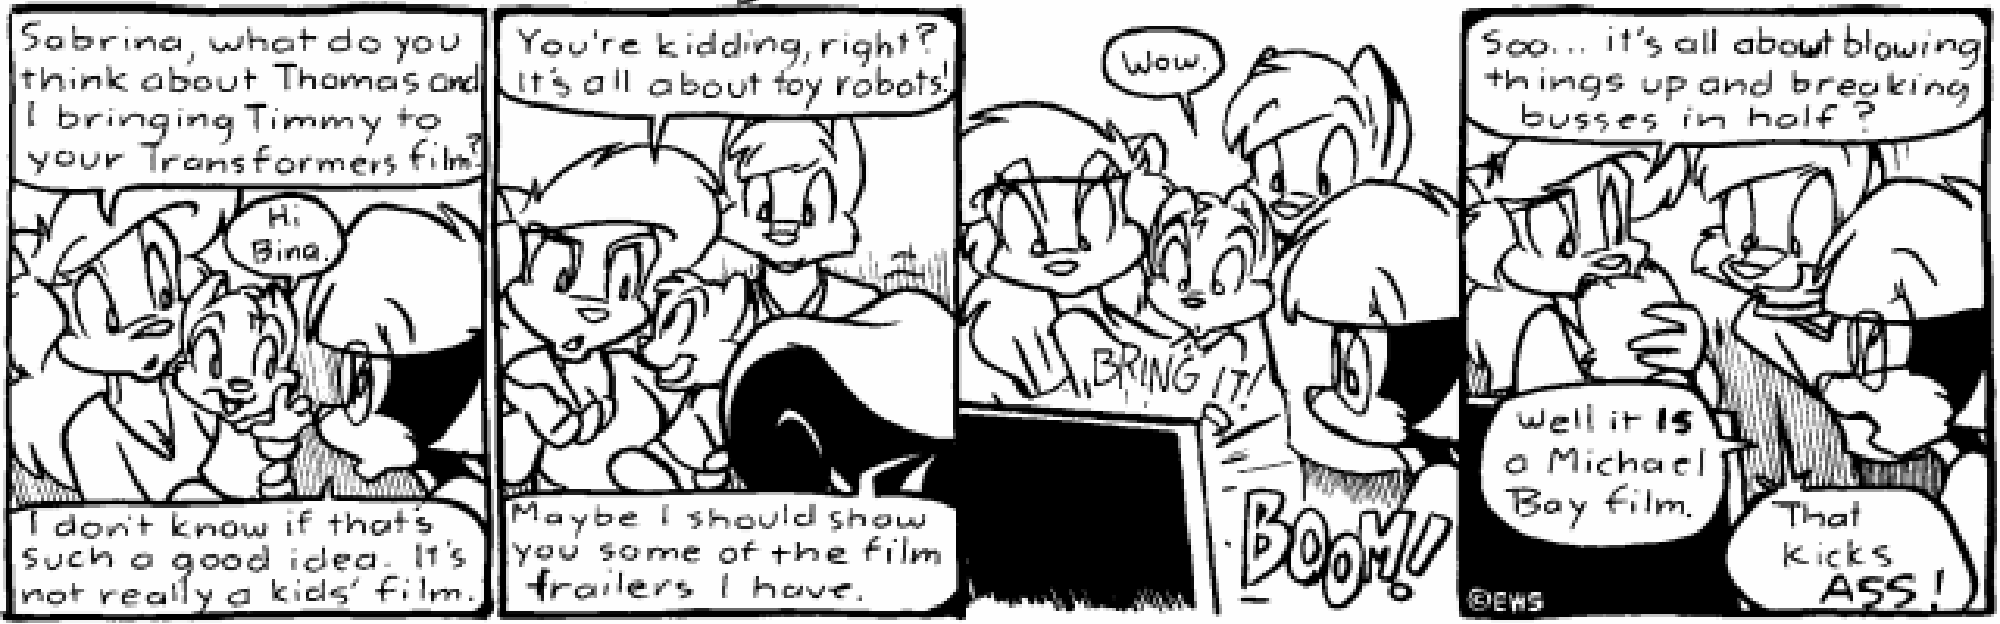
Watch out! Sabrina Online at http://www.sabrina-online.com

Sabrina, I'm setting up a studio trip to see the Transformers movie.
You coming?
(as if I need to ask)
I'll be going with RC, actually.
OK, that's cool.
©EWS
Say, if you two feel like making out during the film, I promise not to stare.
Joining in, on the other-
I'll be sitting elsewhere in the theater.

Check out Sabrina Online at http://www.sabrina-online.com



Sabrina, what do you think about Thomas and I bringing Timmy to your Transformers film?
Hi Bina.
I don't know if that's such a good idea. It's not really a kids' film.
You're kidding, right? It's all about toy robots!
Maybe I should show you some of the film trailers I have.
Wow.
BRING IT!
BOOM!
Soo... it's all about blowing things up and breaking busses in half?
Well it IS a Michael Bay film.
That kicks ASS!
©EWS

So, what's this movie about, anyway?
Didn't you see all those TV commercials?
There's only so much you can get from that stuff.
I looked it up on Google.
There's these living giant robot aliens, good ones and bad ones, that invade the Earth.
They all hide out by changing their bodies into cars and planes and other stuff.
They're all after this cube thing, which has the power to bring Ipods and X-boxes to life.
As long as it's handled realistically, I guess.
@EWS
Makes more sense than half the movies we've made, at least.

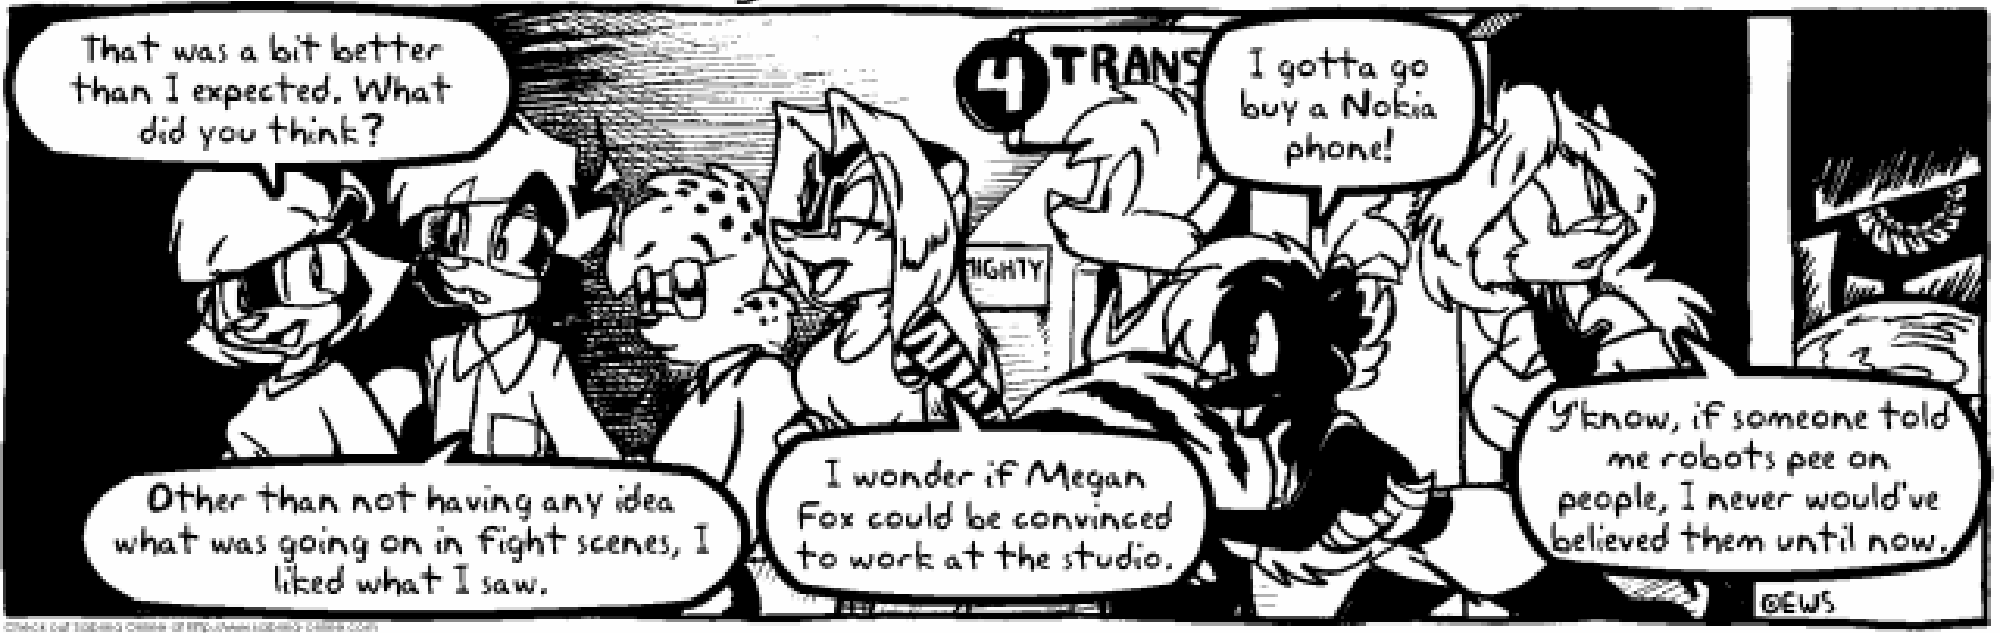
We've got it pretty good, don't we?
Yeah, most toys never get taken to a movie.
By the way, if you have any questions, feel free to ask me, 'cause y'know, I'm IN the movie
You're not IN the movie. You're a toy of a character in the movie.
Look, I'm just sayin', 'cause I AM a movie toy,
and you're not.
At least I have a face that doesn't look like a skinned Furby.
©EWS
YOU PROMISED YOU'D STOP SAYING THAT!

check out sabrina online at http://www.sabrina-online.com



That was a bit better than I expected. What did you think?
Other than not having any idea what was going on in fight scenes, I liked what I saw.
I wonder if Megan Fox could be convinced to work at the studio.
TRANS
MIGHTY
I gotta go buy a Nokia phone!
Y'know, if someone told me robots pee on people, I never would've believed them until now.
©EWS

You been to the Transformers movie yet?
Nah, I'm taking the 'downloaded bootleg' approach.
©EWS
Shouldn't you... y'know PAY to see it?
Movies cost too much nowadays
You've only been around a few years!
More'n you.
Besides, I'm a two-foot robot. I can't go to a theater.
Good point.
It IS a robot movie though they might be OK with you.
So anyway - how's the bootleg?
The torrent's been stuck at 92% for the last three days.

Here are your daily reports, Mr. Johnson
Very good, Miss Velvet. Perhaps we should go to my office so I can give you some long, hard dictation.
MIS-ter Johnson! That is highly inappropriate behavior, and promotes a hostile environment of sexual harassment!
- And that's just how I like it! C'mere you!
CUT!
You know we're doing a public service video here and NOT another dirty movie
Sorry, sorry. I keep forgetting.

Sabrina's on the phone again. I wonder what's going on?
@EWS
What's that Mom?
I suppose I could
Not for **Too** long though
Maybe she's ordering a pizza. That'd be sweet if she was.
When can you bring her by?
That'll be fine.
I'm pretty sure whenever she's on the phone, something good is about to happen.
LATER...
HIIEE TIMMY!
ohhh, crap.

Check out Sabrina Online at http://www.sabrina-online.com

Yes, I'd like to order three large, with-
How much?
OK, four medium,
and a 2-liter of Diet Pepsi
OK, two of them will be deluxe, one with sausage and mushroom and...
What do you kids want on your pizza?
PINEAPPLE!
What? Heresy!

Hi Amy!
Hello Tabitha
Djou know your boobies are almost as big as Zig Zag's?
Uhhmm.. thanks?
Ehhh.. both are good.
When I grow up, I'm gonna have big ones too.
-And why do you want that?
So boys will do what I tell 'em to do!
That's why I listen to her
SMAK!

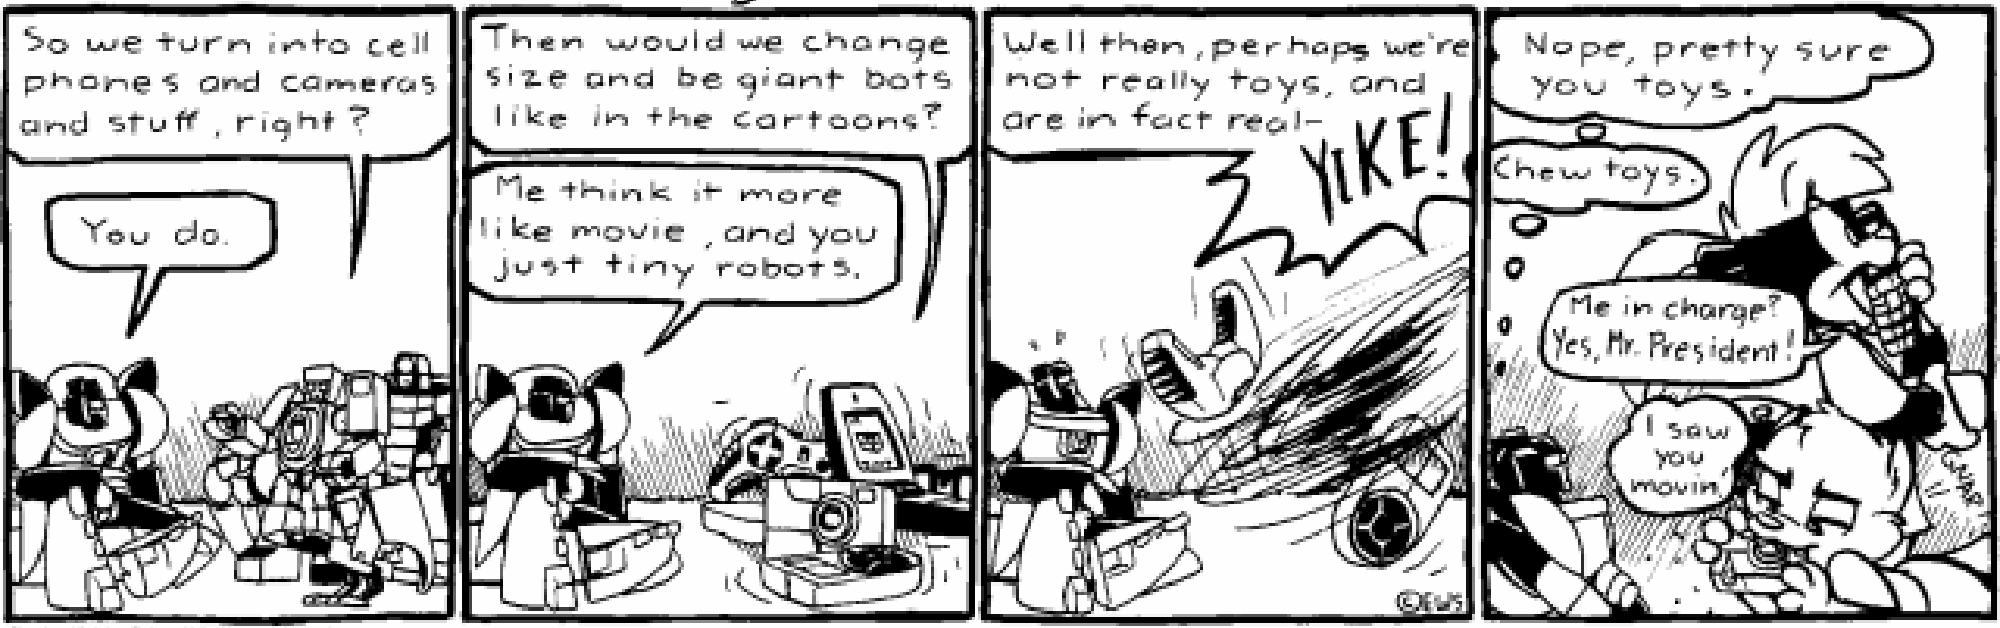
"MINE!"

Check out Sabrina Online at http://www.sabrina-online.com



So we turn into cell phones and cameras and stuff, right?
You do.
Then would we change size and be giant bots like in the cartoons?
Me think it more like movie, and you just tiny robots.
Well then, perhaps we're not really toys, and are in fact real-
YIKE!
©EWS
Nope, pretty sure you toys.
Chew toys.
Me in charge? Yes, Mr. President!
I saw you movin'

We just got a video in the mail from that Zig Zag person.
Just like you asked her to.
"Proper Workplace relations" must be that corporate video stuff she mentioned.
One can only hope
What?
Nothing.
You put the record in the DVD machine. I can never figure out that thing.
Sure - OK
Hoping for the best.
A SMIDGE LATER...
This is kind of racy for a work instruction tape.
-and thankfully tame for one of Zig Zag's videos.

Cool! It came?
What did Sheila?
Some company is making a figurine of me. I just got the sample today!
I didn't realize you were making deals like that.
Lookit, I'm bending over to pick up a quarter.
I can see that.
Even better, it's a pencil holder!
Wow, even I'm finding this in questionable taste.

You know, I've been to your place a few times.
True.
Seems only fair to invite you over to my place then.
Oh? You sure I won't be invading your private inner sanctum or something?
Nah, I'll hide the porn before you come out ;)
So, what's in this for me?
Well for starters, I don't have any room-mates.
I am SO there!

Hey boss.
What's up Sabrina?
Just wondering if I could get Friday off. I'm going away for the weekend.
That's fine.
Hmm. Between the days off and the time you spend working from home, I can't tell if you work here at all anymore.
Unsatisfied? enough to fire me?
I think you're getting a bit too complacent with my interest in you. Gotta see what I can do about that.
Great. Bye!

Yeah, spending the weekend at R.C.'s place.

Maybe, if we're lucky.
I'll be back Sunday. Bye!
Seeya!
